The Transferee shall extend the said guarantee upto the Closing Date. The said guarantee will expire upon Axis Bank having received the funds from the Transferee. All interest upto the Closing Date shall be paid by Transferor1. If such interest is outstanding on the Closing Date, the same will form part of the JAL Financial Indebtedness and shall be paid by the Transferee.

10.14 Interest free loan/VAT deferment in respect of Sikandarabad, Tanda and Bagheri grinding units will not form a part of the JAL Business and the JCCL Business, subject to receiving the no-objection certificates from the appropriate state government agencies/departments confirming that the Encumbrance over

the assets of the JAL Business and the JCCL Business will be released, on or prior to the Closing Date. Any such Encumbrance will be unconditionally and irrevocably released within 30 (thirty) days from the Closing Date.

If such no-objection is not received prior to the Closing Date, interest free loan/VAT deferment in respect of Sikandarabad, Tanda and Bagheri grinding units will form a part of the JAL Business and the JCCL Business and the bank guarantees submitted by the Transferor1 and the Transferor2 shall be replaced by the Transferee on the Closing Date. In such case, interest free loan/VAT deferment shall be considered for computation of JAL Financial Indebtedness and the JCCL Financial Indebtedness and will be treated as JAL Non RTL Liabilities and the JCCL Non RTL Liabilities respectively.

10.15 On the Closing Date, the Transferee will replace the guarantees and letters of credit, given by the Transferor1 and the Transferor2 (other than bank guarantees given in relation to import of project equipment, and other than guarantees given in relation to contingent liabilities and any liabilities excluded from the JAL Business and the JCCL Business), as detailed in **Schedule IIIB** and **XI B** (which schedule shall be updated by the Transferor1 and the Transferor2 as of the Closing Date).
