Sub: UltraTech Cement Limited ranked among the TOP 10 companies Globally under 'Construction Material' in the DJSI Index

Dear Sirs,

We are pleased to inform you that UltraTech Cement Limited has been ranked amongst the top 10 companies across the Globe in the 'Construction Material' Industry sector of the S&P Dow Jones Sustainability Indices (DJSI).

This improvement in ranking comes on the back of a four times increase in the Company's score from 15 last year to 59 this year! This is a significant recognition for the Company's efforts towards sustainable performance.

The score is based on evaluation against 25 criteria across three dimensions of sustainability; which are Economic, Environment, and Social. The scorecard covers all ESG criteria assessed and shows the company's sustainability performance, both in absolute and relative terms, compared to the industry average and the industry's top performing company.

The above is for your information please.

Yours faithfully,
For UltraTech Cement Limited
