New Delhi, 20 May

India saw a record jump of more than 5,600 Covid-19 cases in a single day, taking the total confirmed cases to 106,750, even as nearly 40 per cent of the total patients were reported as 'cured' by the health ministry on Wednesday. There are 61,149 active cases in India, of which 6.39 per cent require oxygen, ventilator support or intensive care unit treatment,

while 42,297 have been cured. India had witnessed 3,303 Covid-19 deaths till Wednesday morning. The Indian Council of Medical Research is also reviewing the use of antimalarial drug HCQ (hydroxy-chloroquine) as a prophylactic by health workers and those in close contact with affected cases.

On whether the use of the drug would be dropped after concerns were raised around its effectiveness and safety, Raman R Gangakhedkar, head, epidemiology and communicable diseases division, ICMR, said, "We are gathering evidence, based on which a decision will be taken."

The total number of tests conducted in the country has crossed 2.5 million, with more than 100,000 tests being conducted in the last two days, revealed ICMR data.

He also said that the total population of the 15 most affected countries is around 1.42 billion, against India's population of 1.37 billion. "These 15 countries together have reported more than 3.6 million cases. With nearly the same population in India, we have seen just over a 100,000 cases to date. In terms of deaths, the top 15 countries account for 2.7 million deaths. In India, the figure is 3,303," added Agarwal.

World Bank to the rescue with \$160-billion aid to 100 nations

'Covid, shutdown may push as many as 60 mn people into extreme poverty'

PRESS TRUST OF INDIA
Washington, 20 May

The Covid-19 pandemic is expected to put over 60 million people into extreme poverty globally, the World Bank has said as it announced emergency operations worth \$160 billion in 100 developing countries to fight the deadly virus.

"The pandemic and shutdown of advanced economies could push as many as 60 million people into extreme poverty—erasing much of the recent progress made in poverty alleviation," World Bank President David Malpass told reporters during a conference call on Tuesday. "The World Bank

"This represents a significant milestone in the World Bank Group's effort to deploy \$160 billion over a 15-month period"

World Bank President

group has moved quickly and decisively to establish emergency response operations in 100 countries, with mechanisms that allow other donors to rapidly expand the programmes," he said.

Of the 100 countries, home to 70 per cent of the world's pop-

ulation, 39 are in Sub-Saharan Africa. Nearly one-third of the total projects are in fragile and conflict-affected situations, such as Afghanistan, Chad, Haiti, and Niger. "To return to growth, our goal must be rapid, flexible responses to tackle the health emergency, provide cash

and other expandable support to protect the poor, maintain the private sector, and strengthen economic resilience and recovery," said Malpass. "This represents a significant milestone in World Bank Group's effort to deploy \$160 billion over a 15-month period. So this is a milestone in the \$160 billion that we have committed to," he said. Malpass said the programmes are tailored to the countries to effectively respond to the health, economic, and social shocks that each of them are facing. The programmes will reinforce health care systems and also help procure vital life-saving medical equipment and supplies.

Trump says US topping world virus cases is 'badge of honour'

US President Donald Trump has said it is a "badge of honour" for America to "lead" the world with 1.5 million confirmed Covid-19 cases since it means the US is testing more people for the disease that has killed over 300,000 people across the world. The US has 1.5 million confirmed Covid-19 cases and over 91,000 deaths, both the world's highest. "I look at that as, in a certain respect, as being a good thing because it means our testing is much better," he said on Tuesday at the White House.

Cambridge University moves all lectures online until 2021

Cambridge has become the first university in Britain to cancel all face-to-face lectures for the 2020-21 academic year because of the coronavirus pandemic, after 800 years of welcoming students to its cloisters, quadrangles, and classrooms. It likely won't be the last, as the virus threatens the foundations of the traditional student experience, and the finances of universities around the world. Cambridge said that all lectures will be held virtually and streamed online until summer 2021.

BABRI DEMOLITION CONSPIRACY ADITYANATH GOVT DELAYS HEARING

OUR BUREAU
New Delhi

To delay the final hearing on the role of the top BJP stalwarts in the conspiracy behind the Babri Mosque demolition in Ayodhya in 1992, the Yogi Adityanath government has refused the video conference instrument sought by special judge Surendra Kumar Yadav as per the Supreme Court's directive on May 8 to decide the case by August-end.

BJP patriarch LK Advani, former Union ministers Murlidhar Joshi and Uma Bharati and former UP chief minister Kalyan Singh are among the 32 accused to be examined after completion of cross-examination of three witnesses on Friday.

Judge Yadav is on extension beyond his retirement last September 30 as the SC wants him to decide the case instead of new judge conducting the hearing de novo. He had sought the video conference facility from the UP government on May 14.

He has now directed the

CBI to produce its three witnesses in person since the video-conferencing is not possible, fixing appearance of Madhurima Misra on May 20, Farhad Abbas on May 21 and Jagat Bahadur on May 22.

The Judge has also informed the Supreme Court that he had asked both the chief secretary (administration) and chief secretary (justice) for the equipment to conduct the proceedings through video-conferencing in the wake of COVID-19 pandemic, but he got no response and he cannot afford to delay the case on this ground.

Worry of the judge is that his court is located in the Kaiserbagh area of Lucknow, which has been declared a COVID-19 hotspot and so he has also written to the UP government to provide other premises for the court in the COVID-free area as otherwise the accused will take the alibi of not turning up for questioning because of the dreaded disease's spread in the area where the court is located.

Plea in SC seeks to check fake news, instigative content on Twitter

AGENCIES / New Delhi

A plea has been moved in the Supreme Court by BJP leader Vinit Goenka seeking a mechanism to check content on Twitter spreading hatred through fake news and instigative content via bogus accounts.

The plea filed through advocate Ashwani Kumar Dubey argued presently total number of Twitter handles in India are around 35 million and total number of Facebook accounts are 350 million and experts says around 10% Twitter handles (3.5 million) and 10% Facebook accounts (35 million) are duplicate/bogus/fake.

The petitioner argued these fake Twitter handles and bogus Facebook accounts, have been created, in the name of eminent people and high dignitaries including the President, Vice President, PM, CMs, Cabinet Ministers, Chief Justice of India and the Judges of the SC and HCs.

Goenka said these fake Twitter handles and Facebook accounts use real pho-

Notice on new pleas challenging CAA; tagged with other petitions

The SC on Wednesday issued notice to the Centre on five fresh petitions challenging the constitutional validity of the Citizenship (Amendment) Act 2019 (CAA), citing specific exclusion of Muslims was against the principle of secularism under the Constitution, and the right to equality. Notified on January 10, the CAA seeks to grant Indian citizenship to non-Muslims minorities — Hindus, Sikhs, Buddhists, Jains, Parsis and Christians, who have migrated from Bangladesh, Pakistan and Afghanistan till December 31, 2014, after facing faith-based persecution. A bench headed by CJI SA Bobde and comprising Justices AS Bopanna and Hrishikesh Roy, taking up the matter through video-conferencing, issued the notice on the pleas by All Assam Law Students Union, Tamil Nadu Thoweed Jamath, Shalim, Muslim Students Federation (Assam) and Sachin Yadav. The court ordered their tagging with the other PILs filed on the matter.

tos of constitutional authorities and eminent citizens. As a result, the common man relies upon the messages published from these Twitter handles and Facebook accounts.

BAN ON ZOOM SOUGHT

A plea has been moved in the Supreme Court seeking a ban on "Zoom", a popular software application for video-telephony, until formulation of an appropriate legislation. Petitioner Harsh Chugh argued software application is not safe and does not have end-to-end encryption, and as a consequence, it is violating the IT Act 2000 and IT (Procedure and Safeguards for Interception, Monitoring and Decryption of Information) Rules, 2009. "The reliefs which are sought in the present petition are urgent in view of the penetration of offending software increasing with each day and as the concern raised in the present petition have pan-India ramifications," said the plea.

Centre, others get notice on women's entry into mosque

NEW DELHI: The SC directed the Centre to respond to a plea seeking Muslim women be allowed to enter mosques across the country claiming such restrictions were "unconstitutional" and violative of the right to equality and gender justice. A bench headed by CJI SA Bobde, hearing the matter through video-conferencing, agreed to hear the petition which has sought setting aside of directions or 'fatwa' restraining Muslim women from entering the mosques. —Agencies

Oppn's confrontation with Modi govt on Fri

OUR BUREAU
New Delhi

In store is the first confrontation of the Congress-led Opposition with the Modi Government on Friday on the issue of the mishandling of the COVID-19 pandemic. Accusations and counter accusations of politics being done at a time when nation is facing one of the gravest crises called Covid-19 are flying fast between the ruling BJP and the main opposition-the Congress but what is the fact on ground needs to be probed seriously and dispassionately.

Convening a meeting of 18 opposition parties in video-conference mode by Sonia Gandhi on Friday to discuss the Modi government's preparedness and efficacy or lack of them in containing the coronavirus in the country that had infected over a lakh Indians and over 3000 deaths will definitely come under the category of "doing politics."

Though the BJP voluble channels and spokespersons have yet not reacted to Sonia Gandhi's initiative, possibly waiting for a green signal from either Prime Minister Narendra Modi or Union

Home Minister Amit Shah, yet the reaction is going to be on expected lines whenever it comes.

It is natural that the opposition parties would take up the migrant workers' problem, the states' suspension of labour laws and the freeze on the activities of various parliamentary committees which function even when Parliament is not in session.

Eighteen parties including DMK, the Left parties, and Trinamool Congress have been invited in the meeting that will be chaired by Sonia Gandhi. Trinamool Congress supreme and West Bengal CM Mamata Banerjee has already accepted the invitation saying "I will attend. It is a good thing. We will discuss Covid-19 situation."

The meeting became all the more necessary since the Modi government is using the spread of the virus and its increasing infection rate to suspend, rather circumvent the "legislative oversight" in not allowing the parliamentary committee meetings to take place, the ruling party is utilising this time to prepare the ground for assembly elections in Bihar.

Gurugram now has 45 containment zones

GURUGRAM (HARYANA): The Gurugram administration on Wednesday declared 10 more containment zones in the district taking the tally to 45. The decision was taken after review committee meeting wherein 14 new areas detected in the district having fresh cases appeared within five days. Earlier, Gurugram had 35 cases five days ago.

Officials have also lifted containment zones at four places including Tyagiwa-

da in Gurugram block, Shiv Kund, Bharatwada, and Thakur wada in Sohna block. Gurugram currently has containment zones at Ashok Vihar, Isampur village, Kadipur enclave, Surat Nagar, Khandasa road vegetable market area, Patel Nagar, Hira Nagar Shakti Nagar, Anand Garden, Krishna Nagar, Jyoti Park, and Baldev Nagar. Earlier, Palam Vihar, Sirhaul village's lane 1, lane 7 and lane 6B, Dundehera, New

2 BSF jawans killed in J&K, weapons looted

SRINAGAR: 2 BSF jawans were killed in a terrorist attack on the outskirts of Srinagar city in J&K on Wednesday, officials said.

The BSF troops on picket duty in Soura, were evacuated to a hospital where they succumbed. Their weapons were looted, they added. Reports say the BSF party was attacked by some bike-borne terrorists. "The area has been sealed for searches to trace the assailants. An alert has been sounded in Srinagar and Ganderbal to nab the ultras," sources said.

Meanwhile, 4 militant associates of the LeI were nabbed in Budgam and arms and ammunition recovered, police said. Acting on inputs, security forces arrested Muzaffar Ahmad Dar, Mudasir Ahmad Lone, Younis Waza — all residents of Budran — and Nazir Ahmad Sheikh, a Poshkar Khag resident, a senior cop said.

TN hosp foils Covid patients' tandoori chicken feast

CHENNAI: Not happy with the boiled egg given as part of diet and wanting to devour the egg's mother, four Covid-19 patients at the Mohan Kumaramangalam Medical College and Hospital, Salem, placed an online order for tandoori chicken and biryani on Tuesday.

"They had ordered tandoori chicken and biryani through their mobile phone on an online food delivery platform. The matter came to light when the delivery person came to the hospital," R. Balajinathan, Dean, told IANS.

But even as he followed the homing signal on his phone to the Covid-19 ward, security personnel and doctors on duty didn't allow the delivery person to enter the ward.

While the food deliverer was sent back, the incident highlights the kind of issues the corona warriors have to face apart from coronavirus, and also being away from their families for several weeks together.

"The Covid-19 patients are given special diet, as prescribed by the government. It includes juice and fruits. Egg is the only non-vegetarian item that is served," Balajinathan said.

According to him, there are 88 people admitted in the Covid-19 ward and all of them are in good condition and coronavirus asymptomatic. Many were demanding to be sent back home, he said and added, it could be done as per the procedures.

Former MP FM's bungalow is sealed

FPJ NEWS SERVICE
Bhopal

The BJP government has begun to vacate the bungalows of former ministers in MP.

The government has sealed the bungalow which allotted to former finance minister Tarun Bhanot. The bungalow, with number B-16, is in Chaar Imli which comes under containment area in red zone. A notice has been pinned to the walls of the bungalow that if Bhanot does not shift his belongings within 14 days, they will be auctioned.

The bungalow allotted to Bhanot has been given to president of BJP's state unit, VD Sharma. Bhanot alleged the government took action under Sharma's pressure.

According to Bhanot, as he is a legislator, had he been allotted a bungalow anywhere, he should have been asked to leave the present one.
