Limited review report on unaudited consolidated quarterly financial results and consolidated year-to-date financial results of UltraTech Cement Limited under Regulation 33 and 52 read with 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To

The Board of Directors of UltraTech Cement Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of UltraTech Cement Limited (“the Parent” or “the Company”) and its subsidiaries (the Parent and its subsidiaries together referred to as “the Group”), and its share of the net profit after tax and total comprehensive income of its associates and joint venture for the quarter ended on 30 September 2021 and year-to-date results for the period from 01 April 2021 to 30 September 2021 (“the Statement”), being submitted by the Parent pursuant to the requirements of Regulation 33 and 52 read with 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (‘Listing Regulations’).
2. This Statement, which is the responsibility of the Parent’s management and approved by the Parent’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

Limited review report on unaudited consolidated quarterly financial results and consolidated year-to-date financial results of UltraTech Cement Limited under Regulation 33 and 52 read with 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraphs 8 and 9 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 and 52 read with 63(2) of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to Note 6 of the Statement which mentions that:
- (a) The Order issued by the Competition Commission of India ('CCI') against the Company, including Demerged Cement Division of Century Textiles and Industries Limited ("Demerged Cement Division") dated 31 August 2016, whereby the CCI had imposed a penalty of Rs. 1,449.51 crores for contravention of the provisions of the Competition Act, 2002 by the Company (including that relating to Demerged Cement Division). The Company (including that relating to Demerged Cement Division) had filed an appeal against the CCI Order before the Competition Appellate Tribunal ("COMPAT") which was subsequently transferred to the National Company Law Appellate Tribunal ("NCLAT"). In July 2018, NCLAT completed its hearing on the matter and disallowed the appeal filed by the Company (including Demerged Cement Division) against the CCI order. Aggrieved by the order of NCLAT, the Company (including Demerged Cement Division) had filed an appeal before the Honorable Supreme Court, which, in October 2018, has granted a stay against the NCLAT order on the condition that the Company (including Demerged Cement Division) deposits 10% of the penalty amounting to Rs. 144.95 crores with the Court which has been deposited in earlier years. Based on competent legal opinion obtained by the Company (and Demerged Cement Division), the Company believes that it has a good case in this matter. Considering the uncertainty relating to the outcome of this matter and the related financial impact pending hearing of the case by the Honorable Supreme Court, no provision has been considered in the books of account. Our conclusion is not modified in respect of this matter.
- (b) In another case, in terms of Order dated 19 January 2017, the CCI had imposed penalty of Rs.68.30 crore pursuant to a reference filed by the Government of Haryana for contravention of the provisions of the Competition Act, 2002 in August 2012 by the Company. The Company had filed an appeal before COMPAT and received the stay order dated 10 April 2017. Consequent to reconstitution of Tribunals by the Government, this matter was transferred to the NCLAT in earlier years for which hearing is pending. Based on a competent legal opinion, the Company believes that it has a good case in this matter. Considering the uncertainty relating to the outcome of this matter and the related financial impact pending hearing of the case, no provision has been considered in the books of account. Our conclusion is not modified in respect of this matter.
- (c) In case of UltraTech Nathdwara Cement Limited ("UNCL"), a wholly owned subsidiary of the Parent, one of the joint auditors of the Company have reviewed the financial information and without modifying their conclusion on the unaudited standalone financial information of UNCL for the quarter ended 30 September 2021 reported that in terms of the Order issued by the Competition Commission of India ("CCI") against UNCL dated 31 August 2016, the CCI had imposed penalty of Rs. 167.32 crores for contravention of the provisions of the Competition Act, 2002 by UNCL. UNCL had filed an appeal against the CCI Order before the Competition Appellate Tribunal ("COMPAT") which was subsequently transferred to the National Company Law Appellate Tribunal ("NCLAT"). In July 2018, NCLAT completed its hearing on the matter and disallowed the appeal filed by UNCL against the CCI order. Aggrieved by the order of NCLAT, UNCL had filed an appeal before the Honorable Supreme Court, which has granted a stay against the NCLAT order on the condition that UNCL deposits 10% of the penalty amounting to Rs. 16.73 crores which has been deposited in earlier years. Based on competent legal opinion obtained by the Parent Company on a similar matter, UNCL believes that it has a good case in this matter. Considering the uncertainty relating to the outcome of this matter and the related financial impact pending hearing of the case, no provision has been considered in the books of account. Our conclusion is not modified in respect of this matter.

Limited review report on unaudited consolidated quarterly financial results and consolidated year-to-date financial results of UltraTech Cement Limited under Regulation 33 and 52 read with 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

7. We draw attention to Note 3 of the Statement which explains that there was a change of plan relating to UltraTech Nathdwara Cement Limited's ("UNCL") wholly owned subsidiary, Star Super Cement Industries LLC ("SSCILLC") which was previously classified as 'held for sale' (and discontinued operations). During the previous year, the Group had re-evaluated the decision to sell SSCILLC and instead decided to make it a part of the continuing operations considering the synergies available with the existing capacity. Consequently, UNCL had sold SSCILLC to UltraTech Cement Middle East Investments Limited ("UCMIL"), which is a wholly owned subsidiary of the Company, on 23 November 2020. Accordingly, SSCILLC ceased to be classified as 'held for sale' and the financial results of SSCILLC previously presented as discontinued operations have been reclassified as per Ind AS 105 'Non-current Assets Held for Sale and Discontinued Operations' and included in income from continuing operations for the period from 01 April 2020 to 30 September 2020 and required adjustments have been made to the carrying amount of assets and liabilities of SSCILLC. Accordingly, consolidated results for the period from 01 April 2020 to 30 September 2020 as included in this Statement have been restated. Our conclusion is not modified in respect of this matter.
8. The Statement includes total assets of Rs. 2,280.14 crores (before consolidation adjustments) as at 30 September 2021 and total revenues of Rs. 399.65 crores and Rs. 732.11 crores (before consolidation adjustments), total net profit after tax of Rs. 44.56 crores and Rs. 60.26 crores (before consolidation adjustments) and total comprehensive income of Rs. 44.56 crores and Rs. 60.26 crores (before consolidation adjustments) for the quarter ended 30 September 2021 and for the period from 01 April 2021 to 30 September 2021, respectively and cash flows (net) of Rs. 5.84 crores for the period from 01 April 2021 to 30 September 2021, in respect of one subsidiary whose financial results has been reviewed by one of the joint auditors of the Parent. Our conclusion on the Statement is not modified in respect of this matter.
9. We did not review the interim financial information / financial results of eleven subsidiaries included in the Statement, whose interim financial information / financial results reflect total assets of Rs. 3,724.58 crores (before consolidation adjustments) as at 30 September 2021 and total revenues of Rs. 530.26 crores and Rs. 977.38 crores (before consolidation adjustments), total net loss after tax of Rs. 22.88 crores and Rs. 11.80 crores (before consolidation adjustments) and total comprehensive loss of Rs. 23.18 crores and Rs. 1.19 crores (before consolidation adjustments), for the quarter ended 30 September 2021 and for the period from 01 April 2021 to 30 September 2021, respectively, and cash outflows (net) of Rs. 59.38 crores for the period from 01 April 2021 to 30 September 2021, as considered in the consolidated unaudited financial results. The consolidated unaudited financial results also includes the Group's share of net profit after tax of Rs. 0.15 crores and Rs. 0.82 crores (before consolidation adjustments) and total comprehensive income of Rs. 0.07 crores and Rs. 0.56 crores (before consolidation adjustments) for the quarter ended 30 September 2021 and for the period from 01 April 2021 to 30 September 2021, respectively, as considered in the Statement, in respect of two associates and one joint venture, whose interim financial information / financial results have not been reviewed by us. These interim financial information / financial results have been reviewed by other auditors whose reports have been furnished to us by the management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, associates and joint venture, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above. Limited review report on unaudited standalone quarterly financial results and standalone year-to-date financial results of UltraTech Cement Limited under Regulation 33 and 52 read with 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
**The Board of Directors of
UltraTech Cement Limited**

1. We have reviewed the accompanying Statement of unaudited standalone financial results of UltraTech Cement Limited (“the Company”) for the quarter ended 30 September 2021 and for the year-to-date period from 1 April 2021 to 30 September 2021 (“the Statement”).
2. This Statement, which is the responsibility of the Company’s management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 read with 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“Listing Regulations”). Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (“SRE”) 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 and 52 read with 63(2) of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Limited review report on unaudited standalone quarterly financial results and standalone year-to-date financial results of UltraTech Cement Limited under Regulation 33 and 52 read with 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

5. We draw attention to Note 4 of the Statement which mentions that:

- (a) The Order issued by the Competition Commission of India ('CCI') against the Company, including Demerged Cement Division of Century Textiles and Industries Limited ("Demerged Cement Division") dated 31 August 2016, whereby the CCI had imposed a penalty of Rs. 1,449.51 crores for contravention of the provisions of the Competition Act, 2002 by the Company (including that relating to Demerged Cement Division). The Company (including that relating to Demerged Cement Division) had filed an appeal against the CCI Order before the Competition Appellate Tribunal ('COMPAT') which was subsequently transferred to the National Company Law Appellate Tribunal ("NCLAT"). In July 2018, NCLAT completed its hearing on the matter and disallowed the appeal filed by the Company (including Demerged Cement Division) against the CCI order. Aggrieved by the order of NCLAT, the Company (including Demerged Cement Division) had filed an appeal before the Honorable Supreme Court, which, in October 2018, has granted a stay against the NCLAT order on the condition that the Company (including Demerged Cement Division) deposits 10% of the penalty amounting to Rs. 144.95 crores with the Court which has been deposited in earlier years. Based on competent legal opinion obtained by the Company (and Demerged Cement Division), the Company believes that it has a good case in this matter. Considering the uncertainty relating to the outcome of this matter and the related financial impact, pending hearing of the case by the Honorable Supreme Court, no provision has been considered in the books of account. Our conclusion is not modified in respect of this matter.
- (b) In another case, in terms of Order dated 19 January 2017, the CCI had imposed penalty of Rs. 68.30 crores pursuant to a reference filed by the Government of Haryana for contravention of the provisions of the Competition Act, 2002 in August 2012 by the Company. The Company had filed an appeal before COMPAT and received the stay order dated 10 April 2017. Consequent to reconstitution of Tribunals by the Government, this matter was transferred to the NCLAT in earlier years for which hearing is pending. Based on a competent legal opinion, the Company believes that it has a good case in this matter. Considering the uncertainty relating to the outcome of this matter and the related financial impact pending hearing of the case, no provision has been considered in the books of account. Our conclusion is not modified in respect of this matter.

UltraTech Cement Limited, an Aditya Birla Group company today announced its financial results for the quarter ended 30th September, 2021.

COVID-19

The unexpectedly virulent second wave of COVID-19, looks to be receding almost as quickly as it was rising. Nevertheless, UltraTech continues to closely monitor the situation and the impact on its operations, while according utmost primacy to the safety and well-being of its employees and business partners.

FINANCIALS

Consolidated Net Sales was Rs. 11,743 crores vis-à-vis Rs. 10,264 crores over the corresponding period of the previous year. Profit before interest, depreciation and tax was Rs. 2,855 crores compared to Rs. 2,833 crores. Profit before tax was Rs. 1,947 crores and Profit after tax was Rs. 1,314 crores compared to Rs. 1,733 crores and Rs. 1,309 crores, respectively.

OPERATIONS

Coal and Pet coke prices nearly doubled in Q2FY22 resulting in energy cost rising 17% YoY. The resulting impact on the Company's operations were partly offset by reduction in power consumption and continuing focus on operational efficiencies. The Company expects to commence mining operations at its Bicharpur coal block situated in Madhya Pradesh, during Q3FY22 which will help in reducing the dependence on coal purchases.

During the quarter the Company has commissioned 12MW of WHRS and 21MW of solar power. With this expansion the Company's green energy share has gone up to 15%.

CAPEX

UltraTech commissioned cement capacity of 1.2 mtpa in October 2021 at the following locations, which is the 1st phase of the 19.5 mtpa capacity expansion announced in December, 2020:

- **Patliputra Cement Works, Bihar** – Additional cement capacity of 0.6 mtpa has been commissioned, taking the Unit's capacity to 2.5 mtpa.
- **Dankuni Cement Works, West Bengal** – Additional cement capacity of 0.6 mtpa has been commissioned, taking the Unit's capacity to 2.2 mtpa.

This additional capacity will help UltraTech to service the fast-growing cement demand in the Eastern markets.

UltraTech's total cement manufacturing capacity in India has now increased to 112.55 mtpa.

SUSTAINABILITY

UltraTech announced its commitment to Climate Group's RE100 initiative at Climate Week NYC 2021. As part of this commitment, UltraTech targets to meet 100 per cent of its electricity requirement through renewable sources by 2050. RE100, led by Climate Group in partnership with CDP, brings together the world's most influential businesses committed to 100 per cent renewable electricity.

In the last two years, UltraTech has scaled up its contracted renewable energy capacity by 2.5 times. It has already set a target to scale up its green energy mix to 34 per cent of its total power requirement by 2024, from the current levels of 13 per cent. The commitment to move to 100 per cent renewable energy to meet its electrical energy requirements by 2050 is both a reflection of its confidence on the progress made, as well as its resolve to overcome the challenges ahead. The RE100 announcement is in line with UltraTech's focus to institutionalise its carbon reduction initiatives through measurable targets and commitments.

OUTLOOK

Recovery in rural housing, higher MSP (minimum support price) for kharif crop; improved food grain production in rabi harvest; a third consecutive normal monsoon and pick-up in infrastructure-led construction activity are likely to drive cement demand off-take. Continuous increases in input costs like coal, pet coke and diesel pose a challenge for the industry.

UltraTech is confident of weathering the storm of increase in prices of coal, diesel and other inputs, with its sustainable efficiency improvement programs, accompanied by increase in selling prices to absorb the increase in costs.
